

Adoption Book List

This is NOT a comprehensive list of all the adoption books that are available and we are not endorsing all of the material in these books. Our hope is that these books may be of help you and your family in gaining a better understanding if adoption is right for your family. The ones in bold have been some of our favorites.

Adopted for Life - Russell D. Moore, Crossway Books, 2009

The Adoption Decision - Laura Christianson, Harvest House Publishers, 2007
